

DISCLOSURE OF CONFLICT OF INTEREST OF NICHOLAS SHERMAN

THE STATE OF TEXAS

COUNTY OF GUADALUPE

I, Nicholas Sherman, as a member of the Green Valley Special Utility District board of directors, issue this disclosure of potential conflict of interest and hereby under oath state the following:

I have a substantial interest in a business entity that may receive a special economic effect by a vote or decision of the Green Valley Special Utility District board of directors on my business entity that is distinguishable from its effect on the general public. What constitutes a “substantial interest,” “business entity,” and a “special economic effect” are terms defined in chapter 171 of the Texas Local Government Code.

I affirm that the business entity referred to above is my regular employment by Cibolo Creek Municipal Authority. My employment with Cibolo Creek Municipal Authority existed at the time of my election to the Green Valley Special Utility District board of directors. It is my intent that this employment shall continue into the indefinite future. This employment provides for the majority of my gross income each year.

Upon the filing of this affidavit with the official record keeper for the local governmental entity, I affirm that I shall abstain from any discussion, vote, or decision involving this business entity and from any further participation in any matters in which I am aware may have the potential to benefit this business entity. I will inform the Green Valley Special Utility District board of directors should any change in my relationship with Cibolo Creek Municipal Authority take place during my tenure on the board of directors.

Signed this the 23rd day of July, 2018.
