David P. Allen

General Manager

Green Valley Special Utility District

David P. Allen has served as General Manager of the Green Valley Special Utility District (GVSUD) since January 2007. Reporting to the Board of Directors, he oversees the operations and advancement of the District, including financial efficacy, investments, disbursements of District funds, and preparation and management of the annual budget. He directs the District's Master Plan for water and wastewater by coordinating with engineers and consultants to construct facilities and system improvements.

Allen began his career with GVSUD in 1996 as its Operations Manager. He was responsible for the operations and construction of capital improvements and maintenance of existing infrastructure and distribution plants. He also handled the coordination of workloads and duties between office staff and field personnel.

During his tenure, Allen has cultivated and maintained positive working relationships with local and regional entities to develop water reserves for the Green Valley SUD service area, including portions of Guadalupe, Comal, and Bexar counties. Through collaborative efforts, he has led the District into regional water planning to develop water well fields in the Carrizo, Wilcox, and Trinity aquifers. His business relationships include the San Antonio River Authority, Guadalupe Blanco River Authority, New Braunfels Utilities, and the cities of New Braunfels, Cibolo, Schertz, Marion, and Santa Clara.

Allen has extensive connections with water associations and related entities in the region, including:

- Canyon Regional Water Authority (CRWA) – Board of Managers
- Texas Rural Water Association (TRWA) – Director. Previously, Allen has served as President, Immediate Past President, and a Member of the Executive Board of TRWA.
- Texas Rural Water Foundation (TRWF) – Director. He currently services as Secretary of the organization.
- Alliance Regional Water Authority (ARWA) – Board member
- Regional Water Resource Development Group – Board member
- Regional Water Alliance Chairman
- Texas Water Utility Association, Armadillo section – Member
