Re: Potential Scam Alert for GVSUD Customers

Dear Green Valley Special Utility District Customers,

We have been made aware that an individual or group of individuals are posing as Green Valley Special Utility District (GVSUD) employees attempting to collect a past due balance to prevent your service from being disconnected.

If you receive a phone call from someone posing as a GVSUD employee to collect a past due balance, please do not provide any information over the phone. As a standard practice of GVSUD, an employee of GVSUD will not contact you directly. Our customers will receive a past due notice via United States Postal Service, followed by automated phone calls, texts, and email notifications.

If you have any questions or concerns, you may contact our office at 830.914.2330 or log on to your GVSUD account by visiting our website at www.gvsud.org.

Sincerely,

//s//
