Re: Online Fraud Alert

To whom it may concern:

We have been made aware of an online fraud alert pertaining to individuals throughout the United States who are receiving a Green Valley Special Utility District (GVSUD) fraudulent check for rendered purchases or through individuals requesting free merchandise.

Scammers are using a variety of online channels including simulated advertisements and social media sites. Once an individual makes a purchase or signs up for free merchandise, the defrauder sends the individual a fraudulent GVSUD check utilizing a lookalike renowned delivery service.

If you receive a check from GVSUD, please do not cash or deposit the check. We ask that you contact our office at 830.914.2330 immediately. Our staff will verify the check you received to determine its validity. We are currently working with our local and federal authorities to resolve this matter. Any help you can provide would be greatly appreciated.

Sincerely,
