

**Stage 1 Water Restrictions
Initiated by the Green Valley Special Utility District
EFFECTIVE July 14, 2020**

General Manager, Pat Allen, has initiated Stage 1 Water Restrictions of the Green Valley SUD Drought Contingency Plan. Green Valley is requiring all customers to reduce water use by 20%.

During Stage 1 Water Restrictions customers are allowed to:

Sprinkler or irrigation systems may water two days per week
BEFORE 10 a.m. and AFTER 8 p.m.
based on the last digit of the address:

Even numbers (0,2,4,6,8) – Watering days are Monday's and Thursday's.

Odd numbers (1,3,5,7,9) – Watering days are Tuesday's and Friday's

Hand held hose, bucket, drip irrigation systems and soaker hose that do not spray water in the air is permitted any time.

All customers are requested to practice water conservation and discontinue all non-essential water uses.

If conditions persist, it may be necessary to move to Stage 2 Water Restrictions. Once Stage 2 is declared a notice will be posted to our website along with being mailed out with your next billing statement.

GVSUD will notify the local newspapers and radio stations should additional Water Restriction Stages should be necessary.
