STANDARD SERVICE APPLICATION AND AGREEMENT

Agreement, made this ____ day of _____, 20____, between GREEN VALLEY SPECIAL UTILITY DISTRICT, a District organized under the laws of the State of Texas (hereinafter called the District) and _____ (hereinafter called the Customer).

Customer Name

Witnesseth:

The District agrees to sell and deliver water service to the Customer and the Customer agrees to purchase and receive water service from the District, in accordance with the Bylaws and Policy of the District, as amended from time to time by the District.

The Customer shall pay the District for service hereunder, at the rates and upon terms and conditions set forth in the rate schedule adopted by the District's Board of Directors.

The Board of Directors shall have the authority to cancel service in the event the Customer breaches this agreement by (1) refusing or failing, without just cause, to connect to the District's facility and use same as soon as the facility is available, or (2) refusing or failing, without just cause, to pay the minimum monthly water rate as established by the District, the Customer agrees to pay the District liquidated damages in accordance with the Policy of the District.

In the event the total water supply becomes insufficient to meet all the of the needs of the Customer, or in the event there is a shortage of water, the District may initiate a Drought Management Program, thus prorating the available water among the various Customers on such basis as is deemed equitable by the Board of Directors. A schedule of hours covering the use of water may be prescribed. By the execution of this Agreement, the Customer hereby agrees to comply with terms of said Program.

The Customer shall install, at his own expense, a service line from the water meter to the point of use. The use of pipe and fittings that contain more than 0.25% lead or solder and flux that contain more than 0.2% lead is prohibited by State Law. No water connection shall be made where an actual or potential contamination by cross connection or backflow siphonage may exist. Connection of service pipelines from the District's water service meter to any private well or other unknown water supply is strictly prohibited.

The District's employees shall have access to the Customer's property or premises at all reasonable times for the purpose of inspection to ensure compliance with State required standards, applicable plumbing codes and utility construction standards.

By the execution hereof, the Customer shall hold the District harmless from all claims for damage to real or personal property, occurring from the point the Customer ties on to the water meter to the final destination of the line installed by the Customer, caused by service interruptions due to waterline breaks by utility or like contractors, tampering by other Customers of the District, normal failures of the system, or other events beyond the District's control. The Customer agrees to grant to the District now or in the future, any easements of right-of-way for the purpose of installing maintaining and operating such pipe line, meters, valves, and any other equipment which may be deemed necessary for the District to extend or improve service for existing or future Customers, on such for as required by the District.

The District shall have the right to locate a water service meter and the pipe necessary to connect the meter on the Customer's property at the point to be chosen by the District, and shall have access to its property and equipment located upon the Customer's premises at all reasonable times and for any purpose connected with or in the furtherance of its business operations. Upon discontinuance of service, the District shall have the right to remove any of its property from the Customer's property.

By execution of this Standard Service Application and Agreement, Applicant agrees to guarantee payment of all other rates, fees, and charges due on any account for which said Applicant has made a deposit. Said guarantee shall pledge any and all deposit monies against any balance due the District. Liquidation of said deposit shall give rise to discontinuance of water utility service under the terms and conditions of the District's Policy.

By execution of this Standard Service Application and Agreement, Applicant agrees that noncompliance with the terms of this Agreement by said Applicant shall constitute denial or discontinuance of service until such time as the violation is corrected to the satisfaction of the District.

Any misrepresentation of the facts by the Applicant on any of the two pages of this form shall result in discontinuance of service pursuant to the terms and conditions of the District's Policy.
